

Accessibility Statement

We at SKINNYZ believe that our website and products should be accessible to everyone. We are committed to providing an accessible website, regardless of circumstances or abilities. In order to achieve this, we strive to comply with the accessibility guidelines for web content based on the Israeli standard for content accessibility.

Additionally, we will do everything possible to ensure that you can experience our products. By prior arrangement, we would be delighted to bring product samples to your home for you to explore and try out our products.

This site complies with the requirements of the Equal Rights for Persons with Disabilities (Accessibility Adjustments for Service) Regulations. Accessibility adjustments have been made according to the Israeli standard (IS 5568) for web content accessibility at the AA level.

Browser Compatibility and Assistive Technology Support - We aim to support a wide range of browsers and assistive technologies so that our users can choose the tools that suit them best, with as few limitations as possible. Google Chrome, Mozilla Firefox, Apple Safari, Microsoft Edge, NVDA (screen readers) for Windows users, and for MAC users. The site is also optimized for viewing on mobile phones and tablets.

The site provides a semantic structure for assistive technologies and supports the standard usage pattern for operation with a keyboard using arrow keys, Enter, and Esc to enter and exit menus and windows. Users can navigate the site using the Tab and Shift + Tab keys and navigate between menus with arrow keys. Users can also enlarge and reduce text and images using the shortcut keys CTRL+ and CTRL-.

Accessibility during Delivery/Installation

We are committed not only to delivering products to the customer's home but also to assisting with arranging the products in the customer's home if there are limitations or a need for assistance. We will be happy to do this at no cost and without prior notice, whether the delivery is carried out by SKINNYZ or a third party sent by SKINNYZ. ** Does not include wall mounting! **

Notes, Indications, and Feedback

Despite our efforts to make the site adaptable to everyone's needs, there may still be pages or sections that are not fully accessible, are in the process of being made accessible, or lack a suitable technological solution for accessibility. We continually improve the accessibility of the site, add, update, and enhance features to allow accessibility for everyone, in accordance with changing legal requirements. If you encounter a problem, have difficulty using any aspect of the site, or have ideas for improvement, we would love to hear from you.
